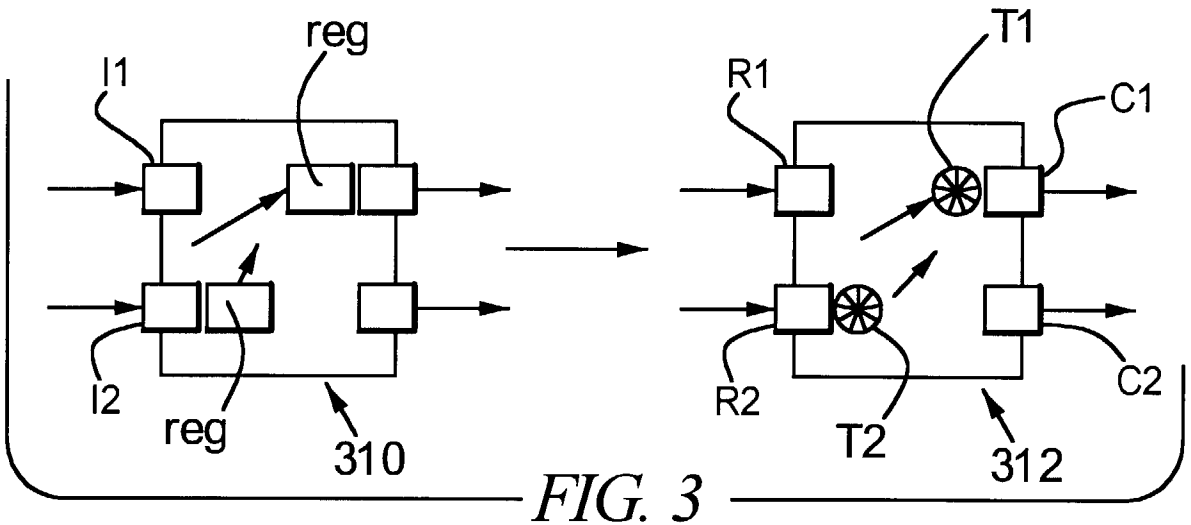

FIG. 3

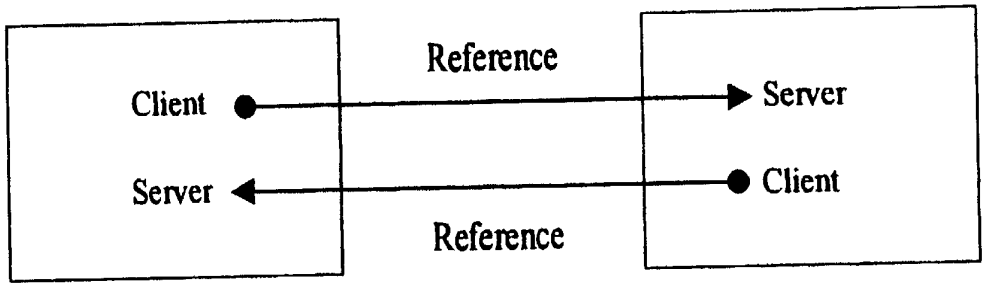
T083E90" 6h6E4260

FIG. 4

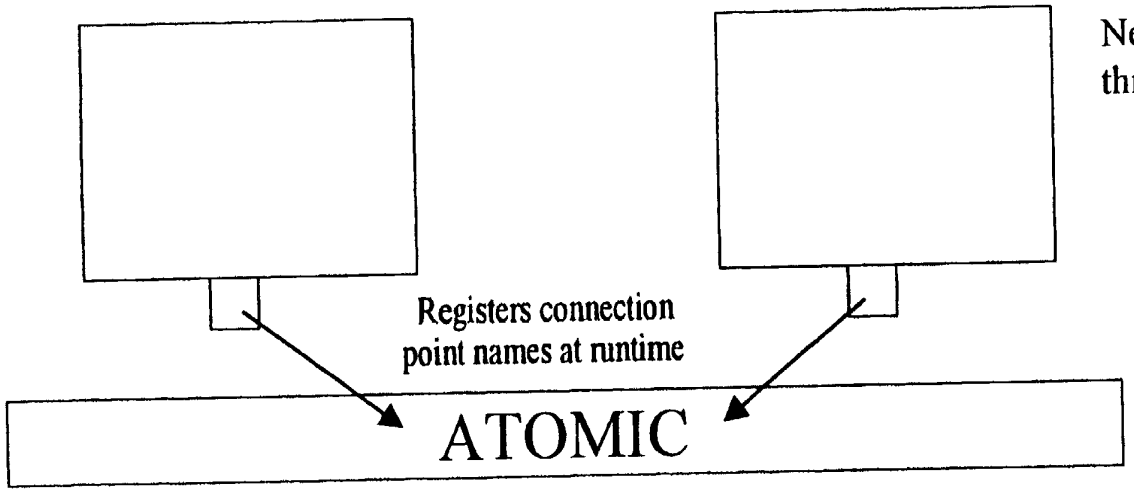
CONNECTING APPLICATIONS

Connections using object references



Current state of the art

Connections using ATOMIC's auto-connection mechanism

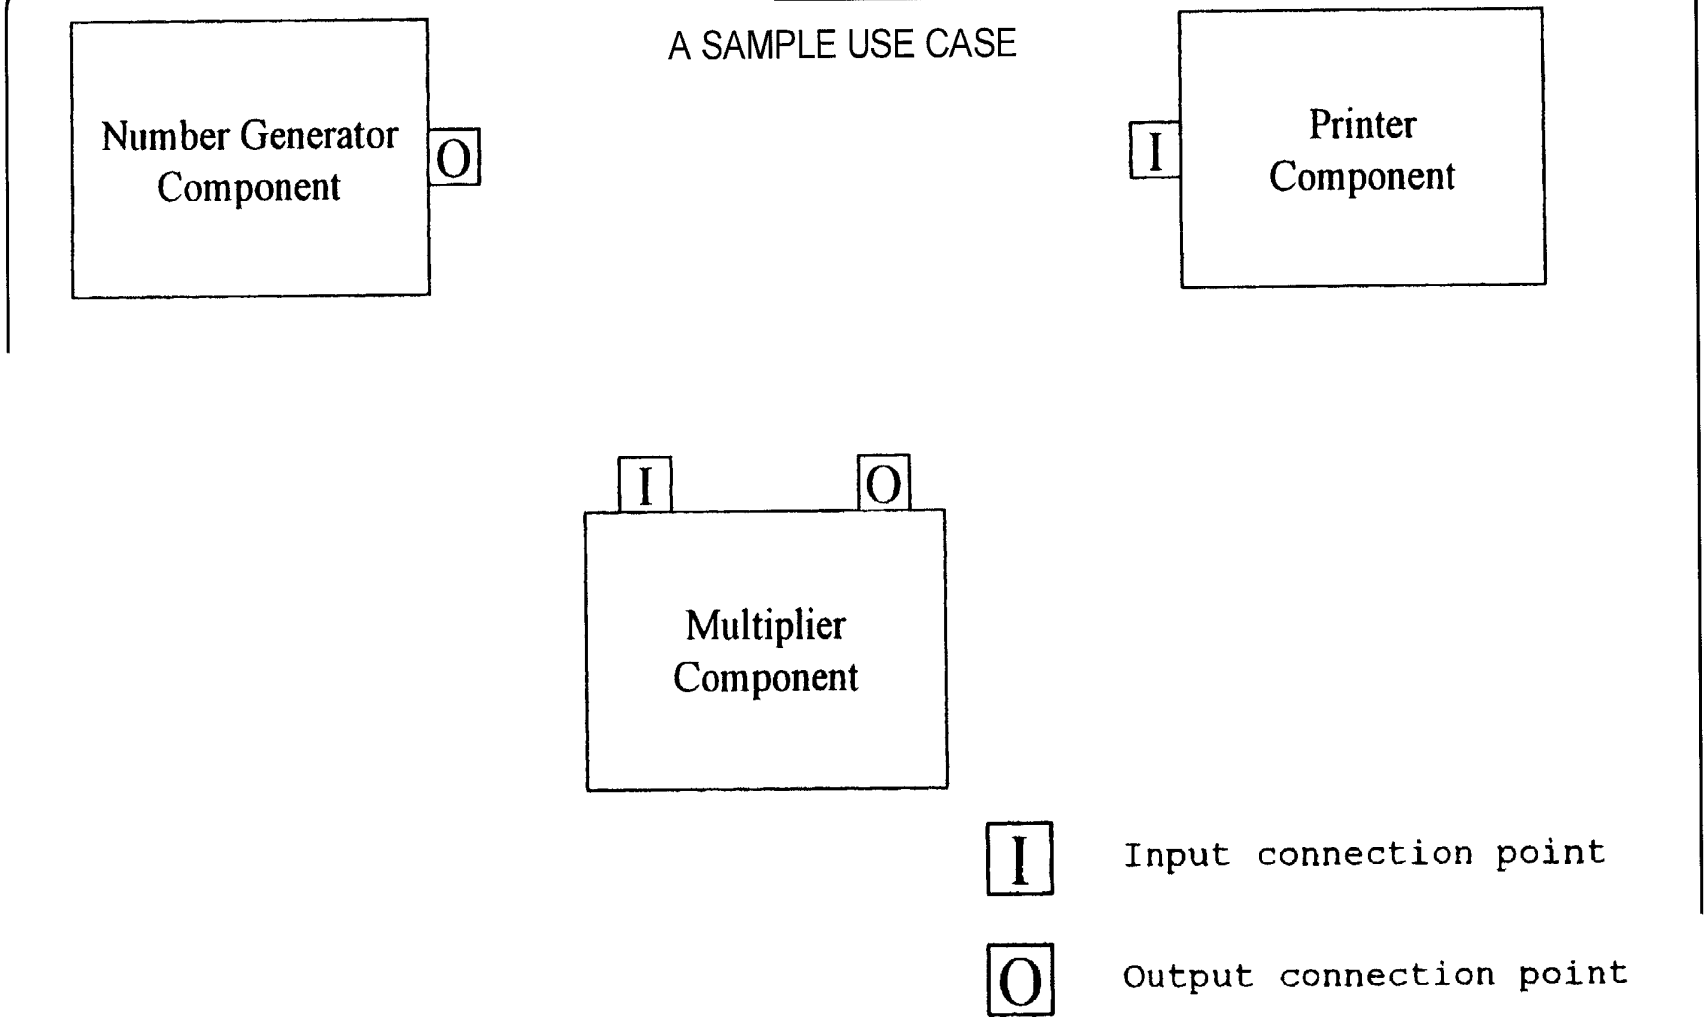


New approach in this invention

T08T90' 6n6E2260

FIG. 5

A SAMPLE USE CASE



T08T90" 6h6E2260
